BROOKLYN LED TASK LIGHT

Three brightness settings
Two USB ports for device charging
Integrated LED light panel

Optional built-in wireless Qi™-certified phone charging pad
Optional universal AC sockets
Optional universal AC sockets with vacancy sensor

BROOKLYN AC LED TASK LIGHT

The Brooklyn AC LED task light joins understated modern design and seamless functionality to create a utilitarian and elegant desk light, with two universal AC sockets that work with US, UK, EU, and other international adapters, plus two USB ports, (1 USB-A, and 1 USB-C, accommodating for newer handsets as well).

Innovative LED Light panel technology casts energy-efficient, warm, white light without any hot spots. The lamp also comes with an integrated device mount, three touch-activated brightness settings, and a base that has an optional residue-free adhesive for stabilization, or you can purchase an additional triangular aluminum base plate with low-profile felt pads.

- ADA-compliant power switch
- Fine linen shade
- Easy installation (no hard wiring)
- Use your own bulbs

BROOKLYN WALL PENDANT

The Brooklyn LED Wall Pendant Light features the understated modern curves of the Brooklyn line and a convenient and easy to install wall mounted aluminum extrusion. The light features mounting holes on the back of the extrusion for mounting on 2 screws (included), making installation quick and easy. No hard wiring is required, as the light comes with an integrated power cord.

The fine linen shade offers a sleek and elegant finish to compliment the lines of the aluminum extrusion. Please note, due to shipping constraints, this fixture must be ordered in multiples of two,

HIGHLINE LED PENDANT

The image features three identical, modern LED pendant lights hanging from the ceiling. Each light fixture is a long, dark, rectangular bar with rounded ends, suspended by a thin black cord. The lights are illuminated from within, creating a bright, glowing effect. The background is a kitchen with white cabinetry, a brick backsplash, and a stainless steel kettle on the counter. The overall lighting is soft and ambient.
